RE: United States v. District Council, et al., 90-Civ.-5722

Dear Judge Marrero:

This firm and Bracewell LLP represent the New York City & Vicinity District Council of Carpenters, the defendant labor organization in the referenced action.

With the consent of the United States and the Benefit Funds, the District Council requests that the Court enter the enclosed proposed Order providing for a further interim extension of the current Stipulation and Order to and through July 21, 2019.

The parties and the Independent Monitor to the current Stipulation and Order Regarding Extension of the Independent Monitor's Term, which will expire by the terms of the Interim Extension on July 17, 2019, are continuing to negotiate a successor Stipulation. The parties are refining certain language and also now plan to extend the successor Stipulation for an additional year to March 31, 2021, which is two years beyond the March 31, 2019 of the predecessor Stipulation and Order [ECF No. 1806]

Respectfully submitted,

James M. Murphy
